

For Children Living in Linguistically Culturally Diversity

# Workshop "Let's create Drama & Museum"

Diversity of Children is the foundation of Our Future

## Power of Diversity

What is my future?

What do those around think about me?

What should be the person I am to live in Japan?

The community I am living might actually be interesting.

**Join us! Children, youth and adults with foreign roots! Find a new self!**

Try to become someone else in 'Improvised Drama Workshop'!

Create 'Isesaki Museum' to link the past to the future of Isesaki!

Create something new together with people having different cultures!
